

Domino's Pizza ("**Domino's**", "**we**", "**our**", "**us**") are currently looking for new properties in [these locations](#) ("**Site(s)**"). We do not retain agents and recognise all genuine introductions.

SITE FINDER'S FEES

Should you introduce a Site to Domino's that we were not previously aware of at the time the introduction was made, and provided the Site found complies with our Property Requirements (see below) and these terms and conditions, you may be able to claim a Site finder's fee from Domino's.

We pay a Site finder's fee of £15,000 in the United Kingdom, or €15,000 in Republic of Ireland, for any Site that completes within twelve months from the date of the introduction to Domino's.

Please be aware that:

- Domino's may reject any Site which has been introduced to us at our sole discretion and shall have no obligation to give reasons for not pursuing a transaction related to any Site;
- Introductions are valid for a maximum of 12 months from the date of introduction to Domino's; and
- Site finder's fees are only payable on the condition the transaction completes within 12 months from the date of introduction to Domino's and must be accompanied by a valid invoice.

PROPERTY REQUIREMENTS

Our typical Property Requirements can be located [here](#) and should be used as guidance only. If you have a Site which falls roughly in line with these requirements, please do still contact us (see 'How To Make An Introduction' section below).

- provide us with any other advice and assistance as we deem necessary.

LANDLORDS
